Annual Chuck Tosovsky Memorial Tribute Event

What is the Green Industry Political Action Committee?

Created to help IGIA initiate and cultivate legislative initiatives, public policy programs and advocacy efforts that advance the cause of our industry. When funds are available, we can contribute to candidates for state and federal elective offices who are supportive of the nursery and landscape industry.

Your support will help sustain the viability of the PAC and ensure that the Illinois Green Industry continues to have a strong voice in both Washington and Springfield.

Planning is underway for the Annual Tribute Dinner to raise critical funds for GIPAC. Your help is needed so we can host both live and silent auctions that will intrigue bidders. Even if you can't attend the event, your auction donation is an important contribution to the success of this effort.
