

Wine Pull Fundraiser

Planning is underway for the Annual Tribute Dinner to raise critical funds for GIPAC. This year we are excited to honor **Matt Zerby** and will be hosting the event at **Cooper's Hawk** in Arlington Heights.

Back by popular demand at the event is the **WINE PULL!** Even if you can't attend the dinner, you can contribute to our effort.

How Can you Help with the Wine Pull?

- Simply donate one or more bottles of your favorite wine (\$15 min value)
- Contact IGIA at 217.546.4733 or info@illinoisgreen.net to let them know if you will be shipping the wine to the office, bringing the donated wine directly to the event, or making other arrangements to get wine to the team.
- Donated wine will be beautifully wrapped and displayed at the dinner, recognizing the donor's name and business.
- Tribute Dinner guests will purchase numbered corks for \$25 each to win the wine with the corresponding number. **Everyone goes home a winner!**

Don't have time to shop for wine but want to contribute?

**Make a donation and IGIA will buy the wine on your behalf.
You will receive sponsorship credit at the event.**

What is GIPAC?

Green Industry Political Action Committee

Created specifically for contributing voluntary funds to candidates for state and federal elective offices who are supportive of the nursery and landscape industry. Additionally, to help us initiate and cultivate legislative initiatives, public policy programs and advocacy efforts.

Your support will help sustain the viability of the PAC and ensure that we continue to have a strong voice in both Washington and Springfield.
