

GREEN VIEW LANDSCAPING COMPANY

Position Title: Senior Landscape Designer or Landscape Architect

Reports To: Vice President of Landscape Operations

Benefits: Health & Dental Insurance, Holiday & Vacation Pay, 401K

Green View Landscaping in Springfield, Illinois, is looking for a Fulltime, Senior Landscape Designer, Landscape Architect or Graphic Artist to join their National Award-Winning Team!

Green View is a 3rd generation, family owned company with stores in Springfield, Bloomington, Mahomet & Dunlap, Illinois. Green View is a trusted leader & national award-winning Landscape Design-Build firm in central & downstate Illinois. We specialize in designing, building & maintaining, functional, livable & beautiful outdoor spaces!

This Design position will report directly to the VP of Landscape Operations & will work with 2 other Senior Landscape Design-Build consultants, who are responsible for the sale & installation of projects. You will have the ability to work independently on most designs & tasks, with some guidance & supervision from VP & Senior Landscape Design-Build consultants. Your primary objective will be to develop creative, accurate & quick landscape designs & presentation packets for the Design-Build consultants to present to clients.

Although not required, a 2-4-year degree in Landscape Design, Architecture or Graphic Art is preferred. As well as previous experience with Landscape Design for hire. Horticultural education or experience is also preferred to be able to quickly match plants correctly to their environment. Experience with Microsoft Office, InDesign, Photoshop, DynaSCAPE & SketchUp are all desirable as well.

A good candidate would also possess a great initiative & 'sense of urgency' to get things done as well as the ability to clearly & concisely communicate, both verbally & in written form.

If you want to help us design and build beautiful outdoor spaces give us a call today!
